

Israel Society for Microbiology – ISM 2024 Annual Meeting September 9-10, 2024

Wohl Center • Bar Ilan University • Ramat Gan

Call for Abstracts

We invite you to submit abstracts for the ISM 2024 Annual Meeting.

Abstracts Submission Deadline: June 23, 2024

Abstract Submission Information

- Abstracts must be submitted in English using the online Abstract Submission Link.
- An abstract may be contributed for a short talk or poster presentation. If a submission for a short talk will not be confirmed, the abstract will be considered for poster presentation.
- Each presenting author may submit only one abstract.
- Abstracts will be published on the Society's website. Submission of the abstract constitutes the authors' consent for such publication.
- **ISM Meeting Registration Fee** should be paid by the presenting author by the abstract submission deadline of June 23rd, 2024, to ensure that the abstract will be considered for presentation at the meeting. **Payment of the Meeting registration fee also includes the ISM membership fee for 2024.**
- Notifications on the status of submitted abstracts will be sent to the presenting author by **July 28, 2024**

Abstract Submission Guidelines

Before you start the abstract submission process, please prepare all necessary information detailed below.

Page 1: Presenting author's contact details

Insert your full first and last names, ensuring that the first letter is capitalized.

Page 2: Authors

- Insert the first and last name/s of all authors (the first letter is capitalized) in the order that they should appear. You will be able to change the order if needed.
- By default, the name of the presenting author will automatically appear as the first author, yet the order may be changed as you insert additional names.

Affiliation/s (Institution/s)

- Insert the institution's name, department, city (state, if relevant), and country. After each institution you have listed, check the box/es of author/s associated with that institution.
- Make a separate entry for each institution. Do not repeat identical institution details if they apply to more than one author.
- Use Upper and lower case (avoid ALL CAPS).
- Do not abbreviate "Department", "Institute", "University", etc.
- In the department field, type in "Department of.....", as only the words you type in will show on the abstract.
