

Tuesday, February 20, 2024		
Registration, Coffee and Poster Mounting		
Opening Ceremony		
Plenary Lecture I		
Parallel Sessions		
Host-pathogen interactions I	Microbial ecology and evolution	Fungal biology
Lunch, Poster Session and Exhibition		
Parallel Sessions - Continue		
Clinical virology and epidemiology	Computational biology and genomics of microbes	Clinical bacteriology and epidemiology
Viruses of eukaryotes	Plant-microbe interactions	The microbiome

Wednesday, February 21, 2024		
Registration, Coffee and Poster Mounting		
Plenary Lecture II		
Parallel Sessions		
Host-pathogen interactions II	Applied microbiology and biotechnology	Bacterial physiology
Lunch, Poster Session and Exhibition		
ISM Annual Members' Assembly		
Parallel Sessions - Continue		
Microbial toxins	Parasites	Microbial societies and microbial interactions
Bacteriophages	Beneficial microbes	Microbial genetics
Best Poster Prize Announcement and Closing Remarks
